

2021-22 Accreditation Cycle Accreditation Timeline

January 4, 2021: Pre-application process opens

February 26: Pre-application window will close and Commission will review information submitted to determine readiness for moving forward.

April 15: If determined needed, an Accreditation Advisor will be assigned to the applicant at this point to work with them in preparing their application. The Accreditation Advisor will determine if the applicant is ready to submit by the deadline or if the applicant needs to wait and resubmit.

June 15: The Accreditation Advisor will determine if the applicant is ready to submit by the deadline or if the applicant needs to wait and resubmit.

July 1: Applications are submitted.

July-August: Application Assigned to Commissioner. Deep Dive of Application by Commissioner

By August 30: Application Assigned. Your application will be assigned a two or three-person Peer Review Team.

By October 31st: Request for Additional Evidence. You will receive initial feedback from your Peer Review Team requesting clarification and additional documentation to prepare you for your site visit.

By October 31st: Peer Review Teams have the option to meet Sunday at the NACEP Conference or by Teleconference. This meeting will allow the team to prepare for the upcoming site visit.

By March 15, 2022: Site Visit. Applicant will host a site visit between November 1, 2021 and March 15, 2022.

By March 30: Peer Review Team Submits Final Report and Review Forms to the Accreditation Commission.

By May 1: Commission Vote
