2:00-3:30 **College in High School Alliance**

Location: Hall of the States, Room 333

We have invited Associate Members of the Alliance to join us for a meeting to:

- Review the successes we've had in the first year since CHSA publicly launched in 2017;
- Announce additional strategic goals for our work in 2018-2019;
- Solicit feedback on the new principles for CHSA's work ahead.

After the Alliance meeting concludes is another window for those scheduling legislative visits.
