 - Course Placement – Institutional
 - Classroom placement decisions are determined by the institution's policies (ORC 3365.05)

Eligibility does not guarantee admission;

Admission does not guarantee course placement.

Student Eligibility Process

Starting with the 2018-2019 academic year, a prospective College Credit Plus student must complete the steps below to determine CCP eligibility, college admission, and course placement/registration.

1 Eligibility to Participate (See Note 1)

2 College Admission (See Note 1)

This document is for informational purposes only. Please see ORC Section 3365.03 and the "Student Eligibility Information" section on www.ohiohighered.org/ccp/resources for more details.

3 Course Registration (See Note 3)

Student must meet with a school counselor and a college advisor to determine course choices, which will depend on assessment scores and other prerequisites.

Note 1: Steps 1 & 2 may occur simultaneously especially at open admission institutions or institutions at which a student identifier is needed for record keeping purposes.

Note 2: An institution may choose to allow students to retake the assessment exam.

Note 3: An institution may require a student to attend an orientation meeting prior to or after registering for courses.

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

- aka CCP Probation and Dismissal
- Secondary schools are required to include information about CCP Probation and Dismissal in the information session and counseling services
- Colleges are required to designate one staff member to monitor student performance and discuss available resources with the student
- Rule does not supersede or alter the college's policies or procedures on academic probation and dismissal
- **Four Policy Components**
 - Underperforming Student Definition
 - Probation Process
 - Dismissal Process
 - Appeal Process

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

Underperforming Student Definition

- An “underperforming student” means a student who meets at least one of the following conditions:
 - Has a cumulative **COLLEGE GPA** of lower than 2.0 in the college courses taken through CCP
 - Option B only, self-pay courses do not count in GPA
 - Withdraws from, or receives no credit for, two or more courses in the same term

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

What does it mean when a student is on probation?

- An underperforming student is limited to enrolling in **ONE COURSE** through CCP the following term
 - Across all colleges he/she is enrolled in
- The course cannot be in the same subject that the student earned a grade of **D, F or No Credit**
- The student has the next term to raise their overall **COLLEGE GPA** to a 2.0 or above
 - If above a 2.0 – Probation is lifted, student participates with no restrictions
 - If less than a 2.0, student is dismissed

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

Probation – Three-Step Process

- Step One – Monitor GPAs & Identify Underperforming Students
- Step Two – Notify Student, Parent, and College
- Step Three – Student Withdraws from Non-Eligible Courses

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

Step One: Monitor & Identify

- Secondary schools responsibility
 - **Why?** Only you know ALL of the colleges the student is enrolled in and their final grades
 - **When?** End of every term, including Summer
 - Calculate the GPA of **ALL CCP COURSES** taken under Option B, across all colleges, to determine final GPA
 - **Tools you can use:** GPA Calculator
 - <https://www.ohiohighered.org/ccp/resources> --*Guidance on Rules and Regulations -- Underperforming Students*
 - Provides four different calculators depending on the student's enrollment:
 - Scenario A: enrolled only at one college
 - Scenario B: self-pays for some courses
 - Scenario C: enrolled at more than one college
 - Scenario D: enrolled at more than one college, and self pays for some courses

Cumulative GPA Calculator Multiple Colleges

Student Name

	Number of Credits*	GPA	(Number of Credits x GPA)
Institution A			0
Institution B			0
Institution C			0
<i>Sum of Credits</i>	0		0
Average GPA			#DIV/0!

**Please note - if you have colleges on quarter credits and semester credits, you'll need to convert all credits to the same system (all semester credits or all quarter credits) before inputting the number of credits earned.*

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

Step Two: Notify Student, Parent, and College

- Secondary school responsibility to notify all parties of the student's CCP Probation status
- When notifying the student and parent, must also provide the requirements to continue in the program
 - School's CCP Probation and Dismissal Policy – required to have
 - Defines academic progress a student must make to be reinstated on CCP Probation or without restrictions
 - States that failure to make academic progress as defined by the policy will result in CCP Dismissal or continuation of CCP Dismissal
 - Includes procedures for students to appeal

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

Step Two: Notify Student, Parent, and College

- When notifying the student and parent, must also provide the requirements to continue in the program
- School's CCP Probation and Dismissal Policy – required to have

Guidance for Creating Policy & Sample Template

This document provides an overview of the requirements within Ohio Administrative Code 3333-1-65.13 for Underperforming Students. For exact language, refer to the rule in its entirety.

Rule Summary

Beginning summer term 2018, the new administrative rule for College Credit Plus (CCP) Underperforming Students must be implemented.

Definitions:

An **underperforming student** is defined as a student who meets at least one of these conditions:

- 1) Has a cumulative GPA of lower than a 2.0 in the college courses taken through the CCP program.
- 2) Withdraws from, or receives no credit for, two or more courses in the same term. (Withdrawing from a course occurs when the student dis-enrolls from a course after the census date and the secondary school is financially responsible for the tuition associated with the course.)

An **ineligible student** is defined as a student who meets the definition of an underperforming student for two consecutive terms of enrollment.

CCP Probation:

Student and Parent Information

College Credit Plus

CCP Probation and CCP Dismissal

Student's Name: _____

Parent's (or Parents') Name(s): _____

Notification Meeting Date: _____

Name of Secondary School Representative: _____

Instructions: Choose either the CCP Probation or CCP Dismissal section for this student.

CCP Probation (check if this status applies to this student):

- Students in the College Credit Plus program who are deemed “underperforming” and are placed on CCP Probation are due to the following conditions (check one or both, as applicable):
 - Has a cumulative GPA of lower than a 2.0 in the college courses taken through the CCP program.
 - Withdraws from, or receives no credit for, two or more courses in the same term. (Withdrawing from a course occurs when the student dis-enrolls from a course after the census date and the secondary school is financially responsible for the tuition associated with the course.)

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

Step Three: Student Withdraws From Non-Eligible Courses

- A student who is placed on CCP Probation and is already enrolled for the next term must withdraw from all but one course
- If a student elects to stay enrolled, the courses are self-pay and do NOT count in the GPA recalculation toward removal from CCP Probation
- **IMPORTANT!** Check your rosters! If the student does not withdraw, notify the college immediately so they can make sure the student is listed as self-pay.

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

What does it mean when a student is dismissed?

- A student who is on CCP Probation and does not raise his/her overall **COLLEGE GPA** to a 2.0 in the next term is not allowed to participate in CCP
- The length of CCP Dismissal is determined by the school's CCP Probation and Dismissal Policy; however, the student can request reinstatement after one term
- School reviews the student's high school and college record to determine academic progress and can either continue CCP Dismissal, place on CCP Probation or allow to participate without restrictions

Dismissal process is similar to probation – three steps

- Step One – Monitor GPAs & Identify Students
- Step Two – Notify Student, Parent, and College
- Step Three – Student Withdraws Completely

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

What does it mean when a student appeals the dismissal?

- A student who is on CCP Dismissal, or prohibited from taking a course in a subject area (D's, F's, NC's), may appeal to school superintendent **within FIVE business days** of being notified
- Secondary school notifies college of appeal
- Consider extenuating circumstances separate from academic performance that may have affected the student
- Final decision can either:
 - Allow to participate without restrictions
 - Allow to enroll in a course otherwise prohibited (D's, F's, NC's)
 - Place on CCP Probation
 - Maintain CCP Dismissal
- Decision must be made **within 10 business days** after appeal is made. Decision is final.

Underperforming Student Rule (3333-1-65.13, ORC 3365.091)

What does it mean when a student appeals the dismissal?

- Secondary school notifies college of decision
- If decision is to continue CCP Dismissal, and the student is already enrolled at the college, the college shall permit the student to withdraw without penalty and without charge to the school
- If the school fails to make a decision within ten days, and the student is enrolled, and the decision is to continue CCP Dismissal, the college shall permit the student to withdraw, but if it is after the no-fault withdrawal date (14th day), the school is responsible for tuition
