## What to Avoid / Common Mistakes

Unfortunately, not all “free V-Bucks” claims are safe. Here’s what to avoid:

-  **Fake Generators** – These sites never work and risk stealing data.
-  **Suspicious APKs** – Downloading apps outside the official store can lead to malware.
-  **Surveys Asking for SSN or Bank Info** – Especially dangerous in the U.S.
-  **Sharing Epic Games Login** – Never give away your account.

**Pro Tip:** Epic Games officially warns that there is *no such thing* as external “generators.” Stick to in-game or verified U.S. partner programs.
