Individuals can subscribe to the by clicking on the link. Listserv members can send a message to the email list by sending a message to micep@listserv.nacep.org.

MiCEP Members Attend NACEP Conference in Louisville

MiCEP was well represented at the National Alliance of Concurrent Enrollment Partnerships (NACEP) Conference that was held on October 17-18 in Louisville, Ky. Several Michigan delegates attended the state breakfast on Tuesday morning.

NACEP's National Conference is the premier destination for concurrent and dual enrollment practitioners, college officials and faculty, district and high school administrators, instructors and counselors, policymakers, and researchers interested in building and sustaining programs that allow students to earn college credit while in high school.

MiCEP Hosts First Regional Workshop

Kirtland Community College hosted the “Creating Regional Partnerships to Build Successful College Credit Opportunities for High School Students” on December 5. This was the first of many workshops to be hosted by MiCEP. Attendees included representatives from high schools, career and technical education centers, intermediate school districts, and post-secondary institutions. Chris May from the Michigan Department of Education presented updates.

The workshop was held at Kirtland’s new Health and Sciences Center in Grayling.

Searching for a Research Committee Chair

We are searching for someone to chair the MiCEP Research committee. Send an email to DeeDee Stakley at deedeestakley@ferris.edu if you are interested in the position.

- By-Laws

NACEP Expands Leadership Role

NACEP has announced that it will expand the scope of its activities to include a wider range of dual enrollment models while keeping its emphasis on the quality of these programs. Click [here](#) to read the article about NACEP’s new strategic plan.
